

There are many ways to purchase Scrip:

Purchase Scrip at ALA.

We keep most of the cards on the order form in our ALA office inventory. The rest (and others) can be ordered.

Purchase Scrip at your WELS elementary school or church

We have 30 volunteers in our churches and schools who carry Scrip inventory.

Reload Basha's and Fry's cards

Load money onto your Basha's or Fry's card right at the store and earn 6%. Be sure to register your card number in your name at ALAcoyotes.org/Scrip.

Ask your neighbors and relatives to reload and shop with Scrip cards for you. Give them an empty card that you've registered in your name, and ask them to reload and earn profits with their shopping.

Purchase gift cards at Fry's

Purchase any gift card at Fry's, pay with your Scrip card, and you will earn 6%. Southwest Airlines, Target, and McDonalds are just a few of your choices at Fry's.
