

# 27<sup>th</sup> Avenue and Southern Avenue

# Water System Improvements

October 2018

## Water System Improvements

The City of Phoenix Water Services Department has contracted with WaCo Contracting to perform required improvements to the potable water main system in the intersection of 27<sup>th</sup> Avenue and Southern Avenue. The improvements are critical to the maintenance and efficient operation of the system.

Water service is not anticipated to be disrupted. However, residents and businesses will be notified if any water service interruptions occur.

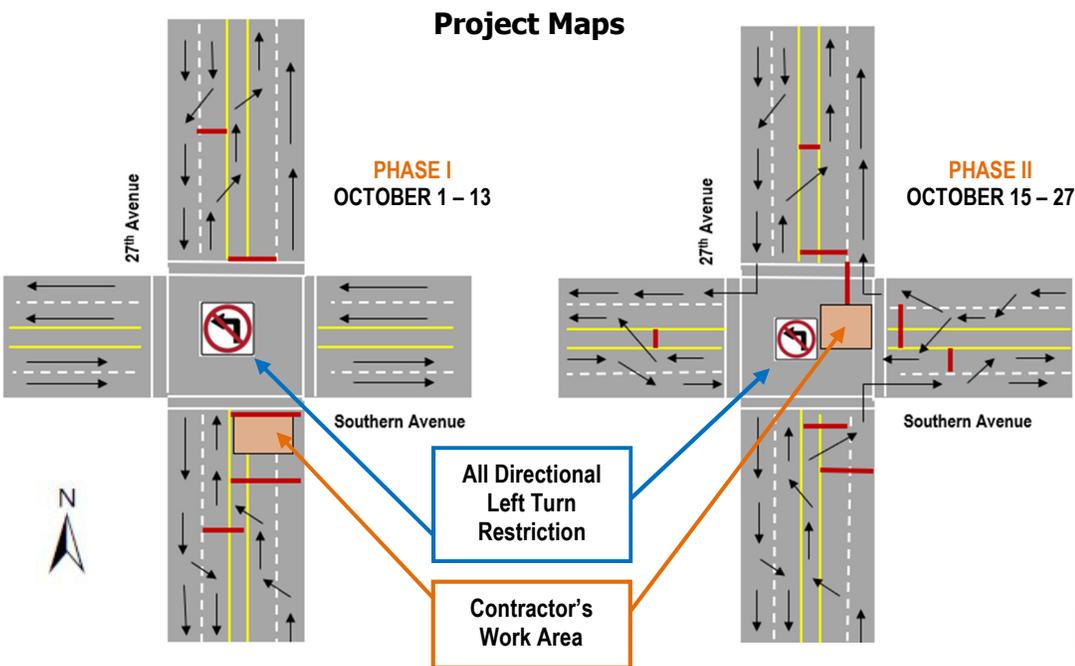

## What to Expect

Contractor's work hours will generally be 6:00 am to 6:00 pm, Monday through Saturday.

Due to the nature of this work, drivers will experience heavy traffic restrictions for the duration of the construction, but significant effort will be made to complete the work on or ahead of schedule.

This will include the following traffic restrictions beginning the week of **October 1, 2018**:

- Traffic restrictions will be in place 24-hours a day.
- There will be two phases of work for two separate excavation areas.
- **Left turns will be restricted in all directions** during both phases of work.
- Construction will take approximately 2 weeks to complete for each phase.
- Driveway access will be maintained.

## We are committed to:

**P**roviding reliable, high quality and affordable service and supply.

**P**roactive planning, maintenance and replacement programs to minimize disruption and improve quality of life for Phoenix residents.

**W**isely using our water resources to protect and enhance community health and our natural environment.

**P**roviding sound, safe infrastructure with sufficient capacity to meet the future needs of the city of Phoenix.

**O**pen communication and working together with the community during construction.

We appreciate your support and realize that this project may be of some inconvenience in the short-term, but will provide long-term water service benefits for you and your neighbors.

*We want you and the work crews to be safe. Please use caution when traveling through the construction area. We'll do our best to minimize disruptions.*
