RE: Fan Attendance for volleyball

The Administration of Arizona Lutheran Academy has set these guidelines to be in effect until further notice for fan attendance at all home volleyball contests.

1. If you are sick, please stay home and watch the livestream.
2. If you are in a high risk category, please stay home and watch the livestream.
3. All people attending will need to wear a face covering at all times.
  - a. You do not need to wear a face covering while eating food in the gym lobby. Please wear a face covering at all other times.
  - b. Athletes who are playing in the match are not required to wear a face covering.
4. All people attending are encouraged to practice physical distancing.
  - a. There are white pieces of tape evenly spaced out on the bleachers. We encourage you to utilize these markings to help with distancing.
5. Chairs will be set out on both sides of the bleachers.
  - a. Visiting fans can use the extra seating area on the north end (far side of the bleachers).
  - b. Home fans may utilize the extra seating area on the south side (under main scoreboard).
6. Once seated in the bleachers or chairs, please stay in that seat as much as possible and limit close interaction with other fans.
7. All fans should practice proper hygiene (washing hands) and are encouraged to use hand sanitizer frequently.

All of us are excited and thankful to have the opportunity to support our student athletes. Thank you for following these guidelines.
