

2022 ALA Basketball Invitational (Revised Tue 1/11/22)**All games Saturday, January 15**

Based on one school dropping out of the girls' portion, we are now having a 1-day tournament. We eliminated the Friday games, and made Saturday a bit longer. We also switched 2 schools in the boys' pools This should allow more parents to see games, cut down on travel for out-of-town teams, and create a great tournament atmosphere.

The 9:00a-2:00pm games will be played on the side courts. We will then take a half hour break to change over the gym and play the last 5 games on the main court. Thanks for your patience as we try to create the best tournament atmosphere we can.
